12kw Prime Power Diesel Generator Power With Perkins ...

Our diesel generators run in the 1800 RPM range unlike non-diesel products that run at 3600. Low Maintenance You only need to change the oil and filter every 500 hours instead of every 100 hours for a non-diesel generator. Cost Effective Diesel fuel is the least expensive to run with natural gas and propane costing much more.

Perkins Generator 15kVA - model no. 403A-15G2 - Grupel.eu

Perkins Diesel Generators A world-leading provider of diesel generator engines. Perkins is one of the world's leading providers of diesel and gas engines, with a company history going back more than 85 years. The company says it aims to provide the most comprehensive range of innovative and reliable power generator solutions.

Perkins Diesel Generator | General Power

A small Perkins three-cylinder radiator cooled engine powers this 8000-watt generator. It runs at a much slower and quieter 1800 rpm rather than 3600 rpm like so many portable diesel or gas generators. We build it to last over 20,000 hours, and so it can be used full or part-time with auto-start and all the other features found on larger commercial standby generators.

10 kW Diesel Generator | Perkins

Diesel Generator set with Perkins engine model no. 403A-11G1 of 9kVA. Grupel diesel generators from 6 to 3500kVA built with premium quality components.
