This post will try to summarize my experience dealing with my noisy transmission. My initial post about this led me to realize that this was not an isolated incident. I've got an 03 Avant with 90000 miles. I'm very easy on cars. My 98 integra GS-R with 155k miles on it still has the original clutch. I've had a noise which slowly got worse and worse over the last 20k miles.
