Scientific Style and Format presents three systems for referring to references (also known as citations) within the text of a journal article, book, or other scientific publication: 1) citation–sequence; 2) name–year; and 3) citation–name. These abbreviated references are called in-text references. They refer to a list of references at the end of the document.

10. Real Science-4-Kids - Elementary and Middle School science. NOTE: Real Science-4-Kids is worldview neutral, meaning that it doesn't teach evolution, creationism, or intelligent design. While elementary science seems easy to fulfill, and middle school is still manageable, it can sometimes be hard to tackle high school science.
