Lean the seat forward and undo the wiring harness. Remove the seat from the vehicle carefully, or just slide them backwards and lay them on top of the folded rear seat. Place in your replacement console or jump seat. If you have a center console, place the console over the transmission tunnel (the hump in the middle). Notice the legs are flexible.

But the Tahoe has an optional "surveillance feature" that looks to allow all of the instrument panel lights to be shut off. Anyways, here's what the PPV guide says: I got GM part # 13582297 which is a wire with a terminal (I assume that's the correct description) on one end that plugs into the BCM connector.
