New York, December 11, 2017 -- Moody's Investors Service has changed its outlook for global investment banks (GIBs) from stable to positive in 2018, reflecting improving profitability, broadening global growth, declining tail risk and solid capital and liquidity.

Moody's: Global investment banks 2018 outlook changed to ...

Investment Outlook Forum in mid-November. Our key views: • 2018 themes: We see a synchronized global expansion with room to run in 2018 and beyond, albeit with less scope for upside growth surprises. We see inflation making a modest comeback, led by the U.S., and expect the Federal Reserve to make slow but steady progress in normalizing policy.
