Gloria Evangelina Anzaldúa (September 26, 1942 – May 15, 2004) was an American scholar of Chicana cultural theory, feminist theory, and queer theory. She loosely based her best-known book, *Borderlands/La Frontera: The New Mestiza*, on her life growing up on the Mexico-Texas border and incorporated her lifelong experiences of social and cultural marginalization into her work.

Gloria E. Anzaldúa - Wikipedia

Depression . The Center for Epidemiological Studies Depression Scale (CES-D 10; Andresen, Malmgren, Carter, & Patrick, 1994) is a widely used measure to screen for depression that has been previously validated for use in Latinos (Grzywacz, Hovey, Seligman, Arcury, & Quandt, 2006). The 10-item CES-D measures depression symptoms over the past week on a 4-point scale from 0 (rarely or none of the ...

Machismo, Marianismo, and Negative Cognitive-Emotional ...

There was a 5:1 ratio of men to women working in films. 30.8% of women having speaking characters, who may or may not have been a part of the 28.8% of women who were written to wear revealing clothing compared to the 7% of men who did, or the 26.2% of women who wore little to no clothing opposed to the 9.4% of men who did the same.
