### A Pupils Guide To Civic

The aim of civic education is . to provide pupils with knowledge, skills and understanding to prepare them to play a full and active part in society. In particular, citizenship education should foster pupils' keen awareness and understanding of democracy, government and how laws are made and upheld.

### Civic Education Models

In Australia, where the governments of the six states and two mainland territories are similarly responsible for regulating schooling, a national curriculum has been adopted that includes civics and citizenship achievement standards for primary school pupils and a civics and citizenship course for lower secondary school students.

### Civic Education Models

In order to raise civic-minded children, we must first educate our children on the business of civics. Understanding how our government and its branches work - and pointing out the direct line between those functions and their impact on people in the real world - is the surest way to engage children in the political processes that help shape their day to day.

### Civics for Kids
