Aetna Preventive Care Guidelines

For example, mammogram screening guidelines vary. The American Cancer Society recommends annual screening for women ages 45-55, and then every other year after that. The U.S. Preventive Services Task Force recommends a mammogram every other year beginning at age 50. Talk to your doctor about what is best for you.

What is Preventive Care? - Aetna | Health Guidelines by Age

These guidelines are intended to clarify standards and expectations. They should not: Take precedence over your responsibility to provide treatment based on the member's individual needs; Substitute as orders for treatment of a member; Guarantee coverage or payment for the type or level of care proposed or provided
