The Gallery's Young Girl Reading—a representation of a demure model in a lemon-yellow dress seated at a window ledge, a book in one upraised hand—has always been loosely associated with the fantasy figures on formal terms. On the one hand, compelling evidence supported a connection between the two.

Thanks for your tips about looking at abstract art. I think that it was a good tip to read the wall text because it can give you valuable information about the piece of art or the artist's background. I want to go to an art exhibition this weekend, so I will remember to keep these tips in mind when I look around.
