range from \$6,000-\$11,000 a year for a retainer, depending on the financial advisor, location, and the complexity of your financial management needs. Firms that charge their financial advisor fees average as a retainer are usually looking to form long-term relationships with clients.

Average Financial Advisor Fees in 2020 | Everything You ...

Banks often have an existing financial relationship with you - checking, savings accounts, mortgage or car loan. Because of this, they theoretically may be able to offer you better or cheaper services. In practice this tends to apply to wealthier people more who have more assets (and thus, the bank values their relationship more).
