Ending gender-based violence and harmful practices. As the struggle for gender equality continues, violence against women and girls remains a global pandemic. One in three women will experience

physical or sexual violence in her lifetime. And approximately one in four girls in the developing world is married before age 18.

About us | United Nations Population Fund

[Feature] Despite inroads being made with the representation of women in various sectors of society and industry, discrimination and violence remains a thorn on the side of many. The film industry, like most industries has not been immune to the scourge of gender-based violence (GBV) in South Africa.
