Challenging The Secular State Islamization

Challenging the Secular State examines Muslim efforts to incorporate shari'a (religious law) into modern Indonesia's legal system from the time of independence in 1945 to the present. The author argues that attempts to formally implement shari'a in Indonesia, the world's most populous Muslim state, have always been marked by tensions between the political aspirations of proponents and opponents of shari'a and by resistance from the national government.

Challenging the Secular State examines Muslim efforts to incorporate shari'a (religious law) into modern Indonesia's legal system from the time of independence in 1945 to the present.

Challenging the Secular State: The Islamization of Law in ...

In Challenging the Secular State, Arskal Salim analyzes the interaction between shari'a and the Indonesian nation-state from the time of its independence in 1945 to the present day. He points to what he characterizes as legal and political dissonances—by this the author means a spectrum between mild tension and direct contradiction—that characterize attempts by Islamic political parties to Islamize the Indonesian legal system.
