The Little House book series was a collection of autobiographical stories by Laura Ingalls Wilder. The books were originally published by Harper & Brothers and were released between 1932 and 1943, with the ninth entry in the series being released in 1971 after Ingalls Wilder's death.

Little House - Book Series In Order

Two other things worth noting – since we put a bat house on the south side of the house we’ve had fewer bugs in general. The bats eat mosquitos, too! Also, if you have moths in the house or garage, if you turn off all the lights and then turn on a bright light outside they will generally follow the light.
