Civil Engineering < University of California, Berkeley

Three graduate degrees including, Master of Engineering (30 credits), Master of Science (30 credits), and Doctor of Philosophy (72 credits) are offered. The Master of Engineering degree is a coursework only option and the other degree programs require a research component at a level adjusted to the degree sought.

Construction Engineering | Iowa State University Catalog

Colleges sometimes use different names for a similar major. In order for your search to be as successful as possible, you should search for similar fields. When searching for undergraduate programs, search for bachelor's degrees and minors/concentrations. The same applies for associate degree programs.
