"Dreams, Evolution, etc. is one of the last Seth books that is brilliant teaching and guidance. I've gone back and re-read it, and drawn lots of lines below especially meaningful paragraphs, as well as drawn a big star by those paragraphs. They help me to go back and look at those things that really "hit home"..

As we grow up our dreams too grow up with us. I am taking myself as the best example to talk about the evolution of dreams. My first dream was a bit weird ,I wanted to become a pilot when I was a kid but when I look back it feels like a joke. But even then my father was really supportive of becoming a pilot. But now as I grew up, understanding my ...
