Service Manual - Eaton

Eaton Fuller manual transmissions have consistently been the #1 choice of fleets in North America.: Eaton engineers have eliminated nearly eight quarts of oil by using a Precision Lubrication system. It takes one-third as much lube as a comparable manual transmission. That's how many miles you'll go before the first scheduled transmission oil drain service, for linehaul applicatio

Fuller Advantage Series Manual - Eaton

The AutoShift transmission, based on the RT Series manual transmission, is an advanced shift-by-wire system that communicates with the engine utilizing the SAE-J1939 protocol for precise control of the engine and transmission functions. Using a three pedal system, the Solo self-adjusting clutch is used only for starting and stopping.

AutoShift® - Eaton

Turn the key off and on two times within five seconds ending with the key in the on position. After five seconds, the service lamp begins flashing two-digit fault codes. If no codes are active, the service light will flash code 25 (no codes). To Retrieve Inactive Codes: Start with the key in the on position.
