Elementary School buildings are the setting for the first four to eight years of a child's formal education, a period of structured schooling that is compulsory in most countries. In the United States, the Elementary and Secondary Education Act (ESEA), first enacted in 1965 and reauthorized by the No Child Left Behind Act , is the principal ...

The purpose of the student council is to give students an opportunity to develop leadership by organizing and carrying out school activities and service projects. In addition to planning events that contribute to school spirit and community welfare, the student council is the voice of the student body.
