### **Eucotax Series on European Taxation: The Principle of ...**

Overview. The principles of equality and non-discrimination are a cornerstone of constitutional law and of international and European human rights law, and there is increasing recognition of the fact that any system of taxation must comply with them. This book examines how these principles influence the tax regimes of eight European jurisdictions. The authors examine the impact of the equality and non-discrimination principles on tax law and policy, with particular reference to their ...
