Most research papers normally require a thesis, even on the step of outline creation. If you are not sure, ask your teacher whether your paper requires it and what they expect to see in your research paper thesis statement. In short, a thesis is the main idea, a central point of your research paper.

Download File PDF Example

The thesis focuses your ideas and information for the research paper. Remember that word "focus." Student writers often make the mistake of forgetting the focus and making the research thesis far too broad in order to include too much research. Yet depth more than breadth is the hallmark of a sophisticated research paper.
