The Focus On Series is a semester-long unit study that encourages kids to 'focus on' one subject at a time. This series is offered for an age range of either elementary, middle school, or high school.* The Focus On Series is based on a "block" teaching method, where focused learning is condensed to a shorter "block" of time. It was purposed for those parents and teachers wanting a solid introductory level science course who also want to sequence their own science program.

Focus On - Real Science-4-Kids

The workbook contains exercises that focus on the most basic principles of science including animals, plants, the five senses, weather, seasons, and matter. Although not important to me, the workbook supports the Common Core State Standards.
