Human activity recognition is the problem of classifying sequences of accelerometer data recorded by specialized harnesses or smart phones into known well-defined movements. Classical approaches to the problem involve hand crafting features from the time series data based on fixed-sized windows and training machine

The sarlacc (plural sarlacci) is a fictional creature in George Lucas's sci-fi action saga Star Wars. It first appeared in the film Return of the Jedi (1983) as a multi-tentacled alien beast whose immense, gaping maw is lined with several rows of sharp teeth, inhabiting the Great Pit of Carkoon, a hollow in the sand of the desert

How Stuff Works

In the UK, changing the classification of a van to a campervan or motorhome is fairly straightforward. The following information is based on real experience, correct at the time of the re-classification. This serves as a good guide, but please contact the DVLA to confirm the rules regarding your vehicle.
