Graduate Citizens Issues Of Citizenship

Global citizenship is the idea that one's identity transcends geography or political borders and that responsibilities or rights are derived from membership in a broader class: "humanity". This does not mean that such a person denounces or waives their nationality or other, more local identities, but that such identities are given "second place" to their membership in a global community.

Global citizenship - Wikipedia

Acknowledges and understands diverse perspectives and cultures when considering local, national, and world issues. Contributes to solutions that benefit the broader community. Communicates effectively in multiple languages to make meaningful connections. Promotes environmental stewardship.
