mop. [Jessamyn Neuhaus] -- This book traces the surprisingly persistent depiction of housework as women's work in advertising from the late 1800s to today.

### **Housework and housewives in modern American advertising ...**

The home economics movement changed the way society thought about housework. Housework could be studied, analyzed, and improved. This was important because most American women still worked primarily in the home. Young women fortunate enough to attend college often pursued careers in social science fields like home economics.
