International Investment Arbitration: Lessons from ...

Introduction to Investment Arbitration. Investment arbitration is a procedure to resolve disputes between foreign investors and host States (also called Investor-State Dispute Settlement or ISDS). The possibility for a foreign investor to sue a host State is a guarantee for the foreign investor that, in the case of a dispute, it will have access to independent and qualified arbitrators who will solve the dispute and render an enforceable award.

Introduction to Investment Arbitration | Arbitration

1 - INTRODUCTION TO INTERNATIONAL ARBITRATION. 22 Jan, 2017 BUSINESS LAW 0. International arbitrations take place within a complex and vitally-important international legal framework. As summarized in this introductory chapter, contemporary international conventions, national arbitration legislation, and institutional arbitration rules provide a specialized and highly-supportive enforcement regime for most contemporary international commercial arbitrations and international investment ...
