Our First Journey Through Infertility In 2009, Adam and I became official "grown ups" when we decided to build our house and take on more responsible grown up tasks. Once you have the marriage, the jobs, the house, the dogs...for us the next step obviously was a baby.

Infertility Journey - It's a Buzz World

Of Course, infertility goes, our fertility journey with third-party reproduction was such a roller coaster. My cousin did her egg retrieval in October of 2019 and they ended up retrieving 30 eggs. As someone who can typically count the number of eggs retrieved on one hand, this was so exciting!

Our Fertility Journey - Master Infertility

My journey From Infertility to motherhood - IVF Treatment. In the Indian societal context, once a couple is married, they are expected to have children. For some, it might turn out to be a compulsion but for most couples, parenthood is a beautiful dream that they wish to fulfill. To have one's own offspring, spending time raising them and creating cherished memories is a wonderful fantasy.
