Details This is a machine built best for light to medium weight fabrics and can be used at any skill level. With the servo motor, the speed can be adjusted from a high of 5500 stitches a minute, to barely moving so even the most inexperienced can get the hang of the machine and functionality right from the start.

Lockstitch Industrial Sewing Machine. I have an old model of this machine, the DDL-555-4. The beauty of this machine is that it only does one thing: sew in a straight line. And it does it exceptionally well. Even my old model is smoother and more sensitive than many domestic machines.
