### Introduction to Financial Accounting Solutions

The biggest of the similarities between manual and computerized accounting is that the rules of accounting don't change, regardless of how you record data. Double-entry bookkeeping, where you debit office equipment when you buy a new computer and credit the same amount to cash or accounts payable, is still the gold standard; financial statements have to meet the same requirements.

### Manual vs. Computerized Accounting Systems | Bizfluent

Unlike static PDF Financial Accounting solution manuals or printed answer keys, our experts show you how to solve each problem step-by-step. No need to wait for office hours or assignments to be graded to find out where you took a wrong turn.
