Literature Craft And Voice

In literature circles, small groups of students gather together to discuss a piece of literature in depth. The discussion is guided by students' response to what they have read. You may hear talk about events and characters in the book, the author's craft, or personal experiences related to the story.

Overview of Literature Circles

In literature, writing style is the manner of expressing thought in language characteristic of an individual, period, school, or nation. As Bryan Ray notes, however, style is a broader concern, one that can describe "readers' relationships with, texts, the grammatical choices writers make, the importance of adhering to norms in certain contexts and deviating from them in others, the expression ...

What You Can Learn From Writers You Hate - Craft Your Content says April 26, 2018 [...] When I was a young writer, I spent a decent amount of time struggling to find my unique voice. Instead of digging inside to try and find a voice that wasn't fully formed yet, I studied writers who I loved and attempted to understand their voice.
