### **Mazda Rx8 Engine Warranty**

The Mazda RX-8 is a sports car manufactured by Japanese automobile manufacturer Mazda between 2002 and 2012. It was first shown in 2001 at the North American International Auto Show. It is the successor to the RX-7 [citation needed] and, like its predecessors in the RX range, it is powered by a rotary Wankel engine. The RX-8 was available for sale in North America from the 2003 model year.

Honda introduced the first B-series engine in 1989 as a performance engine with single and dual cams. All Japanese B series engines follow a four code series. The B designates that it is part of the B series. This is followed by a two digit number which details engine displacement. Lastly, there is a second letter for the model.
