Water your lawn and plants on a schedule with the Melnor 2-Zone Automatic Water Timer. Featuring two independently controlled valves for different areas of the yard, this programmable digital timer lets you water as often as once an hour or as little as once a week.

### **Amazon.com : Melnor 2-Zone Automatic Water Timer : Garden ...**

The Melnor 4 zone electronic water timer was what I needed to water the area where my pool used to be. It was removed last fall and I needed a way to water different zones in that area. A one zone timer wasn't going to solve my problem. I liked the set up of the Melnor. It allows me to hook up 4 different hoses for different applications.
