The International Style arose from several strands of architectural and political thought in the 1910s. First, it often has been said to have grown out of a fascination with buildings for a modern industrialized age, especially factories and warehouses, which demanded utilitarian designs that included ample natural lighting and flexible interior space for machinery or storage for huge ...

International Style - Overview | TheArtStory

Definition. Literary modernism, or modernist literature, has its origins in the late 19th and early 20th centuries, mainly in Europe and North America, and is characterized by a self-conscious break with traditional ways of writing, in both poetry and prose fiction. The horrors of World War I (1914-19), with its accompanying atrocities and senselessness became the catalyst for the Modernist ...
