In human society, family (from Latin: familia) is a group of people related either by consanguinity (by recognized birth) or affinity (by marriage or other relationship). The purpose of families is to maintain the well-being of its members and of society. Ideally, families would offer predictability, structure, and safety as members mature and participate in the community.

Family - Wikipedia

Marriage, also called matrimony or wedlock, is a culturally and often legally recognized union between people called spouses.It establishes rights and obligations between them, as well as between them and their children, and between them and their in-laws. It is considered a cultural universal, but the definition of marriage varies between cultures and religions, and over time.

The first series of exposés mentioning Virginia by name, and publishing her story of being an Epstein-trained sex slave for Prince Andrew, began on Sunday, February 27, 2011, in the Mail on Sunday, followed by the online edition of the Daily Mail on March 2, 2011. This was repeated with much greater international intensity starting on January ...
