From the temples of omen-speaking oracles to the five realms of the Underworld, the champions of the gods vie for immortal favor and a place among the world's living myths. Choose a supernatural gift that sets you on the path of destiny, align yourself with one of Theros's fifteen gods, then carve a tale of odysseys and ordeals across the domains of mortals, gods, and the dead.

Mystics were a special kind of priest found mainly in the rural and wilder areas of the Realms. Typically, only humans, halflings, elves, and half-elves chose to become mystics. These clergy had great personal charisma and above average wisdom and intelligence with a strong individualistic streak that caused them to shun structure and order in favor of finding their own path to enlightenment ...
