The purpose of these Opel workshop manuals is to become a simple and clear instruction that will allow you to competently discuss and plan the repair of your car with a professional mechanic or perform it yourself. The manuals provide pictures and descriptions showing the function of the various parts and their location.

Opel workshop manual free download | Automotive handbook ...

Standard transmission was a manual four-speed. A three-speed automatic was available with the 1.9 L engine. The model run of the Opel GT was from 1968 to 1973. The Opel GT uses a steel unibody and a front mid-engined, rear-wheel drive layout. The engine is mounted far back in the chassis to improve weight distribution.
