## **House Plans from Allison Ramsey Architects**

Modern house plans feature lots of glass, steel and concrete. Open floor plans are a signature characteristic of this style. From the street, they are dramatic to behold. There is some overlap with contemporary house plans with our modern house plan collection featuring those plans that push the envelope in a visually forward-thinking way.

## **Open House Chicago**

Modern house plans proudly present modern architecture, as has already been described. Contemporary house plans, on the other hand, typically present a mixture of architecture that's popular today. For instance, a contemporary house plan might feature a woodsy Craftsman exterior, a modern open layout, and rich outdoor living space.

Protect Open House from Covid-19 Open House has been hit hard by Covid-19. After three decades of keeping the festival free for all, we are asking those who can afford it, to help us through the pandemic with a small monthly donation by becoming an Open House Friend. We are creating some great rewards to say thank you too.
