Papers On Great Depression

The Great Depression was a severe worldwide economic depression that took place mostly during the 1930s, beginning in the United States. The timing of the Great Depression varied across the world; in most countries, it started in 1929 and lasted until the late 1930s. It was the longest, deepest, and most widespread depression of the 20th century. The Great Depression is commonly used as an ...

Following the global economic crash of 1929, the country was in state of mass unemployment. It became clear that the unemployed had to be supported from national taxation and not local rates. In order to qualify for dole, a worker had to pass a means test. In the Jarrow Crusade 1936, 200 men began a 300-mile march to London to present a petition to the Prime Minister, Stanley Baldwin.
