PCI Quality Control Schools train to the standards defined by erection manuals MNL-127, Erectors Manual - Standards and Guidelines for the Erection of Precast Concrete Products, and MNL-132, Erection Safety - For Precast and Prestressed Concrete.

Quality Control Training Courses - PCI

From start to finish, PCI certifies the process of manufacturing and erecting precast and prestressed concrete components. This certification of plants, personnel, and product erection provides greater assurance to owners, architects, engineers, and contractors that precast concrete components will be manufactured and installed according to stringent industry standards.
