There's a heavy bias towards English-language works and translations, but the same is true of all the ebook download sites we've looked at here.

Pelicans Guide To English Literature

There are eight living species of pelicans (*Pelecanus* species) on our planet, all of which are water birds and water carnivores that feed on live fish in coastal regions and/or interior lakes and rivers. The most common in the United States are the brown pelican (*Pelecanus occidentalis*) and the Great White (*P. anocratalus*). Pelicans are members of *Pelecaniformes*, a group of birds that also ...

separate company the following year. Penguin revolutionised publishing in the 1930s through its inexpensive paperbacks, sold through Woolworths and other high street stores for sixpence, bringing high-quality ...

Penguin Books - Wikipedia

Phalacrocoracidae is a family of approximately 40 species of aquatic birds commonly known as cormorants and shags. Several different classifications of the family have been proposed and the number of genera is disputed. The great cormorant (*P. carbo*) and the common shag (*P. aristotelis*) are the only two species of the family commonly encountered on the British Isles and "cormorant" and "shag ...
