Laidler Physical Chemistry Solution Manual

Unlike most other competing Physical Chemistry text books on the market, our solution manuals are completely free of cost. These contain the solutions to all the problems as worked out by students themselves. This peer learning model is a valuable asset for students. Rather than a CD at the end of a book, or having to go to a publisher's web site, all the multimedia is integrated into the eBook and opens on the relevant pages to allow the student to visualize many of the concepts.
