In I'm a Good Man, but... (1969), Fritz Ridenour writes: "A supposedly true story from the mission field pretty well sums it up. The missionary was talking to the old Indian about what it was like to be a Christian and the Indian said that being a Christian was like having two dogs inside of him fighting.

Simple prepositions in Italian, or preposizioni semplici, are the magical little words that allow us to connect the meaning, details, and specificity of actions: with whom we are doing something, for what, to what end, where, and where to. They are a neat little bunch, easy to remember, and this is the order in which they are taught to Italian children.
