However, Scribd is not free. It does offer a 30-day free trial, but after the trial you'll have to pay \$8.99 per month to maintain a membership that grants you access to the sites entire database of books, audiobooks, and magazines. Still not a terrible deal!

### Sewing P1 2 I X

The P1 does offer better-than-SSD performance at a price that is comparable to and even cheaper than non-NVMe, M.2 drives. That seems to be the most attractive feature about this product. I would even say that it is also durable, functioning just fine and retaining data after several failures from high heat.

Whether it's at home, in the classroom or in the workplace, learning is a never-ending road of discovery, challenge, inspiration and wonder. In these unprecedented times, we are taking extraordinary steps to support teachers - to make informed judgements when assessing learning, to deliver learning resources and tasks from a distance and to engage parents at home.
