Individual rights to sexuality, which is essential to human health and well-being, have been denied. This loss has negatively affected people with intellectual disabilities in gender identity, friendships, self-esteem, body image and awareness, emotional growth, and social behavior.

### **Sexuality - American Association on Intellectual and ...**

This article aims to explore the sexual agency of young people over age 16 labelled as having an intellectual disability. We argue that 30 years of inclusive education have failed to address the question of sexuality education and agency for individuals with an intellectual disability. Contextualising the failure of contemporary sexuality education within schools, and drawing on concepts of ...

### **'No Sex Please!' We Have Been Labelled Intellectually Disabled**

A review of research on sex education for people with mental retardation finds a need for sex education due to a number of factors, such as deinstitutionalization, the increased incidence of sexual abuse, the advent of AIDS, and interest people with mental retardation have expressed in learning about sexuality.

### **Sex Education Programs for People with Intellectual ...**

People with intellectual disability can express their sexuality in satisfying ways. The attitudes and support of other people are essential in helping people of all abilities to have healthy personal and sexual relationships. Sexual abuse or exploitation is always wrong and should be treated as a very serious matter.

### **Cognitive disability and sexuality - Better Health Channel**

Consent determination is a common practice that has been championed as a logical approach (Lyden in Sex Disabil 25(1):3-20, 2007) to the sexual activity of individuals with intellectual and/or developmental disabilities. These practices are paternalistic and ineffectual, and need to be replaced with viable alternatives, such as sex-education provision.

### **Capacity to Consent: Policies and Practices that Limit ...**

NASHVILLE — A Tennessee death row inmate is asking a federal judge to postpone his December execution, saying that he is intellectually disabled. The U.S. Supreme Court has ruled that executing an intellectually disabled person violates the Eighth Amendment's prohibition on cruel and unusual punishment. In a court filing on Monday, attorneys for Pervis Payne [...]
