Supra 000604 Combination Over-The-Door Key Lock Box - Lock ...

A friend of mine has one of these boxes that he uses on property that he has in construction but he can't recall the combination. It is not on a property now but is useless to him without the combination. Since they are not cheap, he would like to be able to get it open. Drilling would be considered BUT only if it can be re-used of course. Some sort of non-destructive method would be preferred.

How can I determine the combination for a SUPRA ...
