A Simple Cold-Call Script That Really Works | Inc.com

Many prospects will reflexively say "I'm not interested" or "I'm busy" the second they realize they've just picked up the phone for a cold call. They'll shut you down before they hear what you have to offer. Don't hang up. Jump in with an open-ended question instead, something that will jumpstart the conversation. Go for a question that will make your prospect stop and think before disconnecting.

8 Great Phone Sales Tips for Productive Cold Calls

It's not just the words you say when it comes to selling, but the tone of your voice. In fact, 93% of the potential success of your cold call comes down to the tone of your voice. From the beginning, you have to turn a skeptical lead into a trusting customer.
