PDF Text

completed on the basis of partial information, but to a greater extent they focus on the meaning of the completed whole.

Sentence Equivalence questions consist of a single sentence with just one blank, and they ask you to find two choices that lead to a complete, coherent sentence while producing sentences that mean the same thing.

**Structure**

GRE Text Completion.

Text completion questions account for about one quarter of the marks for the verbal section of GRE. Each question contains one, two or three blanks, and you have to find the best answers to make the text make complete sense. Be sure to study the text carefully so that you notice all the in-built clues.
