A second and equally important element has to be present: video is a visual art form: its medium is the image. The appreciation of manliness can only succeed if the male form, i.e. a body that is essentially and unmistakably that of a real man, is seen to truly possess the qualities of manliness. This means that the archetype of Man, the essence of the masculine, should be presented for the ...

Classicism is a specific genre of philosophy, expressing itself in literature, architecture, art, and music, which has Ancient Greek and Roman sources and an emphasis on society. It was particularly expressed in the Neoclassicism of the Age of Enlightenment.. Classicism is a recurrent tendency in the Late Antique period, and had a major revival in Carolingian and Ottonian art.

Classicism - Wikipedia

Classic art of Greek was about lovers of the beautiful, yet simple in our tastes, and we cultivate the mind without loss of manliness.” – Thucydides Pottery, which had been previously quite renowned in both the black figure and red figure styles, went into decline during this period.
