I found The Bewitching of Anne Gunter to be a fascinating look into how witch trials were conducted and the logistics of what the qualities of a person who is under bewitchment or demonic possession are. It was especially interesting to hear Anne, the supposedly bewitched person, present her side of the story in the book, as this is seemingly rare in the texts that I've read.

As I mentioned in class several weeks ago when we discussed The Bewitching of Anne Gunter, the "bewitching" of Anne's body perhaps was the most striking thing of the account. Indeed, the abandonment of modesty and the protection of family status and dignity on the part of Brian Gunter was incredibly shocking and may indicate his overall commitment to the ruse.
