Image: Penguin Publishing Group. In *Anna Karenina*, there are two main storylines: Anna's and Levin's. These stories take place simultaneously, with constant back-and-forth shifts but little crossover. This allows readers to take a break from one story and jump into another, slowing down the pace at which each storyline resolves.

Readers who approach Fielding's fiction expecting a conventional romance will be sorely disappointed: like the chorus of the Cry, her audience does not get what it wants. But, if readers submit themselves to the highly unconventional narrative of The Cry , they just might get what they need: Fielding's lesson about moderating the passions.
