Instead of an artisans' guild, you might belong to a guild of traders, caravan masters, or shopkeepers. You don't craft items yourself but earn a living by buying and selling the works of others (or the raw materials artisans need to practice their craft). Your guild might be a large merchant consortium (or family) with interests across the region.

If you are in any way interested in hobby distilling, this book is an absolute must-have. I'll preface my review by saying that I distill solely for floral essences, essential oils, and hydrosols that I use in soap making, but if your interests include distilling small-batch alcohol, this book is equally as invaluable.
