During the soul retrieval process, the shaman moves into an altered state of consciousness to travel to realities outside of normal perception (non-ordinary reality), also known as hidden spirit worlds, to retrieve the lost part of the soul.

### **What is Soul Retrieval? Dealing with Soul Loss | Gaia**

A soul retrieval is a powerful spiritual practice that heals soul loss. Soul loss can occur whenever we have trauma in our life. For example, we may experience soul loss if we are in an accident, undergo a serious operation or if we suddenly lose a close friend or family member. From a shamanic perspective, soul loss is a common cause of illness.

### **Soul Retrieval - Understanding Soul, Soul Loss and Healing ...**

Shamans believe that part of the human soul is free to leave the body. The soul is the axis mundi, the center of the shamanic healing arts. Shamans change their state of consciousness allowing their free soul to travel and retrieve ancient wisdom and lost power. Because the soul is free to leave the body it will do so when dreaming.

### **Soul Retrieval - Shaman Links**

In soul retrieval, we journey to find all parts of the missing soul from all lifetimes, all eras until all parts are placed back together. Essence retrieval is just this lifetime and is the energy field just an inch or two away from our physical body and vibrates with the lowest frequencies.

### **The Essence of Soul Retrieval: A Shamanic Healing ...**

Essence vs. Soul. If there is a difference between soul and essence it's this: Essence doesn't animate the body. Rather Essence is the quality of how you animate yourself which transcends all the stories you live through.. Soul is often considered to be the spark that animates a person.. This is a pretty interesting distinction.
